Room 1517, Vanderbilt Hotel,

Dear Sir:-

We are herewith returning seven (7) bronze Verdun medals, the balance of the twenty-five (25) sent us May 17th, 1918, and eighteen (\$18.00) dollars to pay for the eighteen (18) we have sold.

We are also returning you the six (6) silver medals that you sent to us previously through Dr. Kunz of Tiffany & Company. None of these did we sell.

As we have sold none of these medals for a month we think that it would be best to return all that we have so that you can place them elsewhere.

Very truly yours,

Curator.
